Your **MultiCart** comes in two parts plus wheels to screw in and securely tighten with included wrench. It also includes 4 different colored baskets as shown and a Wire Storage Tray that hooks on the back of the cart.

The **MultiCart** frame comes in 2 main parts to assemble. These are connected easily by sliding the tubes together and engaging the push-button locking mechanism. See photo below at right that shows the connection points. **NOTE:** Additional Multi-Color Baskets and Wire Storage Trays are available for purchase.
