

You will love the Paddle Center. Designed to solve a multitude of problems all at once.

- Organize demo paddles, rental paddles, or paddles on sale.
- Organize paddles that need to be re-gripped or were just completed.
- Quality-built to last for years.
- Rubberized surface will not scratch paddles or surfaces.
- Sets up in seconds; no tools required.
- Safely and securely holds up to 12 paddles.

Here's a Paddle Center Idea for use by rotating players waiting to play:

Use the Paddle Center to line up the players who are waiting to play. Just place the paddles of waiting players in order from one side to the other. This helps keep everyone know who is next to play!
