IDEA / INVENTION SUBMISSION FORM

Name _____

Email _____

Phone _____

Address _____

(1) Briefly state the purpose of your idea/invention – for example, “ ... to help players develop extension on their serve.”

(2) Briefly describe any other products that you know of that perform a similar function, and describe where you have seen the products on sale or in use.

(3) Concisely describe the difference(s) between your idea/invention and those, if any, described in the preceding section, including the special benefits of your idea/invention.

(4) Below, and on additional pages, please include sketches, photographs, drawings, or video links if available.
