

PickleScore™ Instructions

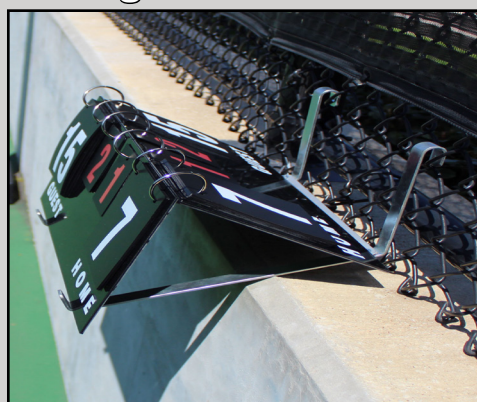

The brand new PickleScore from OnCourt OffCourt is a game changer for pickleball tournaments.

Portable and about the size of a notebook, the PickleScore is adaptable to use in many ways, from sitting it on a table to hanging on a fence. Viewable on both sides and easy to use. Very affordable and let's both players and viewers know the score at a glance, even from a distance. Very readable.

1. Stand it on the ground

2. Hang it on the fence

3. Hang it on a bench

4. Hang it on the net
