iPhone, iPod touch, and iPad are trademarks of Apple, Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc.

1. On Slam models the main added feature is sidespin or slice.
2. Weather-resistant cover for all machines \$99 extra.

* **Serve Lift:** Designed specifically for the Slam which can serve with sidespin as well as topspin. See OnCourtOffCourt.com for details. \$5,170 (BMPSERV)

** With battery removed.

*** Number of unique back-to-back shots such as dropshots, drives, and lobs that are programmable.

**** Using Bluetooth, the revolutionary iPLAYMATE Tennis loads drills into the ball machine from any iPhone, iPad or iPod Touch. Simply install the "Like My Drill" app from the App Store to create and share drills over the Internet. The iPLAYMATE Tennis is a small box that attaches to the ball machine's hopper and plugs into the telephone port. \$995. 3- year warranty.
